

## ZUMRO all welded Aluminum Carts

### **UPDATE**

### **ZUMRO Aluminum Carts**

ZUMRO now manufactures a wide variety of all welded Aluminum Carts to store Shelters and related accessories. Carts no longer require customer assembly and are manufactured "in-house" in Hatboro, PA. Carts can also be customized by request. (extra charges will apply)

### **FEATURES:**

1. All welded construction.
2. Polished Diamond Plate Shelves.
3. Extra full length shelve standard.
4. Available with Deployment Door.
5. Model 92 (or "full" cart) now available with extra large door for larger Shelters.
6. Model 860 Lift Cart is equipped with shelter lift allowing storage without a carrying case for faster deployment and less handling.
7. Model 860 Lift Cart is equipped with an open shelf for storing a Rigid Door System

Model 92 Cart with Deployment Door

LIFT Cart for Model 860 with shelf for Rigid Door
