

ZUMRO

AIR SHELTER SYSTEMS

**STANDARD
INFLATOR/DEFLATOR**

ZUMRO's Standard Inflator/Deflator w/ Hose offers high volume air power for rapid inflation or deflation. Takes the work out of inflating and deflating. It's fast, easy to use and produces a high volume of air. Lightweight, compact, the rugged all-steel constructed inflator/deflator features a weather resistant baked enamel finish. Custom hose equipped with ZUMRO inflate/deflate adapter. *Available in 220v upon request.
